Dear Friends,

We are in the midst of an exciting Capital Campaign called Vision 2020: Sharing Our Faith, Securing Our Future. We believe that a successful Capital Campaign will revitalize our church and allow us to move forward as we share our Christian faith while securing our future.

Each Sunday we are reporting on our success to date while also explaining each of the Capital Campaign themes and the projects attached to those themes. The enclosed Capital Campaign Summary will give you an overview of what we believe can be accomplished with a successful campaign.

With your help, we look forward to achieving our campaign target of \$300,000 and our goals to better serve our members, to address required upgrades to fix our physical plant, and to attract new members. Your gift will help us move forward toward our future together to maintain and improve the building where we gather to worship and to serve our congregation and community.

Enclosed you will find a Capital Campaign Commitment Card to indicate your wishes with respect to our Campaign. Some donors have asked for a guideline for capital gifts and a possible consideration is 1-2 times the amount you give to the annual operating budget. Please give this matter prayerful consideration and return it to the Church in the enclosed envelope.

On behalf of the Capital Campaign Team,

Dr. Rod Krueger, Co-chair
